

# Music for Self-Isolation - Voice 2

F Maj Version

Music: Frank Horvat

Words: Meg Freer

Subtly Optimistic ♩ = 63

Half-glass hu-man, let down your guard, don't drag bag-gage, ev'-ry step of the way,

don't breathe in the mid-dle of the rain - bow. Hea-ven sends us

ha-bit not hap-pi-ness, hope is not a me-thod, take a step a-ny way, the sun is

still our spin - ning jewel, our spin - ning jewel.

Take your feet with you, look in the mir-ror, ev'-ry day on the way,

life is a full glass, take a drink, take a

drink, take a drink.
